

Check List for Inspection of Manufacturer (Boiler, Boiler Components, fittings, pipes valves, electrodes) under Indian Boiler Regulations, 1950

Date of Inspection -----

S.No.	Name of Items	Details
1.	<ol style="list-style-type: none"> 1. Name of Firm 2. Name & Address of Factory /workshop (Where manufacturing is proposed) 3. Site RIICO/other 4. in case of other then specify whether land use converted to industrial (Attach orders) 5. Own/rented 6. Telephone No. 7. Email 8. Website URL 	
2.	<ol style="list-style-type: none"> 1. Name of Occupier 2. Designation of occupier (Director/Partner/Proprietor) 3. Contact No. 4. Email 5. ID & Residence Address Proof (Attach) 	
3.	<ol style="list-style-type: none"> 1. Name of Factory/workshop Manager 2. Designation of Manager 3. Contact No. 4. Email 5. ID & Residence Address Proof (Attach) 	
4.	<ol style="list-style-type: none"> 1. Factory License No. (under the Factories Act, 1948, if any) 2. Otherwise provide DIC Registration No. (Attach copy) 3. Total Electrical Power (Attach Load Certificate /Electricity Bill) 4. Capacity of DG Set 	
5.	Details of Proposed Items to Manufacture under IBR, 1950. (min. to max. size in mm, Material, etc)	
6.	List of Qualified Technical Staff.	
7.	List of qualified Welder	

8.	List of machinery 1. Type and Number 2. Capacity	
9.	Laboratory facility for 1. Non Destructive Test (NDT) 2. Radiography facilities 3. Ultrasonic thickness measuring facilities 4. MPT Facility(Magnetic Particle Test) 5. Other Tests 6. Heat Treatment System/Stress relieving system Available (Yes/No) (If yes, Attach Testing Equipment List)	
10.	NDT level, II person employed (Yes/No)	
11.	Provision of maintaining IBR raw material Identifications such as- 1. Colour coding of material 2. Dimension check (Internal & External) Available (Yes/No)	
12.	Provision of maintaining IBR raw material and manufactured item Stock Register Available (Yes/No)	
13.	Hydraulic Test System Available (Yes/No)	
14.	Laboratory Certification by 1. CBB(Central Boiler Board) 2. NABL(National Accreditation Board of laboratories)	
15.	List of measuring Instruments with capacity and quantity	
16.	Internal Quality Control System Available (Yes/No) If available then attach details	
17.	SOP (Standard Operating Procedure) Available (Yes/No) If available then attach details	
18.	IBR item Design System Available (Yes/No) If available then attach details	
19.	Previous Experience/Jobs carried out	

	Available (Yes/No) If available then attach details
